107	 A photo of ATIGS 2018 was displayed on the Nasdaq Tower in Times Square New York. The NASDAQ Tower is considered
108	the most visible LED video display in Times Square and is one of the most valuable advertising spaces in the world. It's the
109	largest continuous sign in Times Square. It has close to 9 000 square feet of display space — about a quarter of an acre.
